Subject: Agenda for this Friday and Call in number

Hi Mike,

We have one additional request for the call tomorrow.

Given we have not talked in a while, we believe it would be helpful to us if you could do the following as part of the introduction:

1. Status update on the work you have done to date on RECLAIM (including deadlines you might be working towards)
2. Summary of where we left off the last time that we met.

Also, we have a call in number for you. Please share this as needed.

Conf #: 628-246-1294

Conf code: 289485#

Proposed Agenda for 2/8 Conference Call

- Welcome and Introduction
- *Status update RECLAIM*
- NSR Event Determination Post RECLAIM (which rule/reg will apply and how)
- If there is sufficient time:
 - NSR Event Determination in RECLAIM
 - Discussion of Sample Calculations to Determine Pre-modification PTE
- Logistics for March In-person Meeting
- Adjourn

Hi Gerardo,
Please see my suggested agenda below for Friday's conference call.

Let me know if you would like any changes. Kevin will be sending some background slides shortly for your team's reference.

Regards,
Mike
